WESTERN PENNSYLVANIA

APPLIED ENERGY, LLC

Applied Energy, LLC is a total power quality solutions provider. With a combined experience in Control Systems of over 50 years, they correct the power problems effecting power equipment and its operation. Its harmonic mitigation system - Phaseback functions as surge suppressor, harmonic filter and voltage regulator. *Territories - OH, KY, WV, TN, West PA*

JCH FUEL SOLUTIONS

JCH Fuel Solutions is the leader in automated fuel cleaning and maintenance systems. *Territories - OH, KY, West PA*

LA MARCHE MANUFACTURING CO.

Since 1945, La Marche Mfg. has been providing reliable power conversion products. La Marche products include industrial battery chargers, rectifiers, dc power supplies, inverters, telecom power systems and much more. *Territories - OH, KY, WV, West PA (* All United States & Canada for Railroad Battery Chargers)*

LOAD TECHNOLOGY INC. (LOADTEC)

LOADTEC offers a full line of load banks with configurations designed to meet virtually any site requirement or budget. LOADTEC has both permanent and portable units available for a variety of applications for Emergency and Standby Power Systems. *Territories - OH, KY, WV, TN, MI (lower), West PA*

RUSSELECTRIC

Russelectric custom designs and builds power control systems and equipment to meet the stringent performance and reliability requirements of computer, communications, healthcare and other critical facilities. *Territories - OH, KY, IN, WV, TN, MI (lower), West PA*

REDHAWK ENERGY SYSTEMS, LLC

RedHawk Energy Systems was formed as a manufacturing and value-added subsidiary of the Arthur N. Ulrich Company to specifically focus on alternative, renewable and advanced power systems for critical remote site and backup power requirements. *Territories - Global*

SAFT BATTERIES, INC.

Saft nickel cadmium and lead acid batteries have been built to uncompromising standards of performance, quality and reliability for nearly 100 years. Today they serve in a vast array of applications including engine starting, switchgear tripping, railway signaling, uninterruptible power systems and solar power systems. *Territories - OH, KY, IN, WV, MI (lower), West PA*

SCHAFFNER USA

Schaffner USA is an international leader in the fields of electromagnetic compatibility and power quality, supplying components that support the efficient and reliable use of electric energy. *Territories - OH, KY, WV, IN, MI (lower), West PA*

THOR SYSTEMS, INC.

Thor Systems is a manufacture of innovative transient surge suppression products for a range of different applications such as service entrances of large facilities to primary and secondary building distribution systems. *Territories - OH, KY, WV, MI (lower), West PA, TN*

VAPORPHASE

Vaporphase is a proven leader in the waste heat recovery industry for cogeneration, peak shaving and total energy systems. *Territories - OH, KY, WV, West PA*
